12 May 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 12 May 1967

DD/I passed out copies of [] briefing for the 303 Meeting today. He said that the other papers requested by the Director will be in first draft by 1000 and assured the Director that they will be delivered to Secretary McNamara's office by 1230.

25X1

DD/I reported a call from the State Department indicating that the President intends to discuss with Secretaries Rusk and McNamara means of curtailing European trade with China in strategic materials.

DD/I mentioned a note of appreciation from the AEC for the intelligence memorandum on the nuclear proliferation treaty.

Godfrey discussed the subject of weapons in caves in Cuba. The Director gave guidance.

Godfrey reported that the Israelis are planning a march in Jerusalem today to celebrate the anniversary of their independence. The inclusion of weapons would be counter to the 1948 agreement.

The Director initiated a discussion of the U. S. -Soviet ship bumping incidents. (See Action 1)

Kent said that five memoranda requested by the Director will be ready by COB today. The Director said that he will be out of town this weekend and will accept them midday Monday.

The Director asked the ADD/S about a State message on Air America's labor problems in Saigon. ADD/S said that he will handle this matter expeditiously.

Carver discussed yesterday's attack on the Bien Hoa air base, and the Director queried the discovery of a purported SA-2 missile south of the DMZ.
